<https://www.clivetgroup.co.uk/>

This website is run by **Clivet S.p.A.** We want as many people as possible to be able to use this website.

Feedback and contact information

We're always looking to improve the accessibility of this website. If you find any problems please contact us:

- email accessibility@clivet.it

We'll consider your request and get back to you in **20 days**.

Technical information about this website's accessibility

We are committed to making our website accessible, in accordance also with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

Compliance status

This website is **partially compliant** with the [EN 301 549](#) “Accessibility requirements for ICT products and services”, the European Standard and [Web Content Accessibility Guidelines version 2.2](#) AA standard.

Non-compliance with the accessibility regulations

- C.9.1.1.1 - Not all non-text content presented to the user has a text alternative that serves the equivalent purpose.
- C.9.1.3.1 - In some cases, information, structure or correlations conveyed by the presentation of pages cannot be determined programmatically (or are not available through text);
- C.9.1.4.1 - In some cases, color alone has been used to identify a purpose or distinguish an information or function;
- C.9.1.4.3 - Where not allowed, visual representation of text and images containing text does not always have the minimum contrast ratio required ***;
- C.9.1.4.10 - Content that does not require a representation in two dimensions (such as data tables or maps) does not rearrange when resizing;
- C.9.2.1.1 - Some features cannot be activated by keyboard (or similar input interface);
- C.9.2.4.3 - In some web pages that can be browsed sequentially and in which the navigation sequence affects their meaning and functioning, some objects that may receive the focus do not receive it with an order that preserves the meaning and operation of it;
- C.9.2.4.4 - The purpose of certain links cannot be determined by the link text or by the link text together with adjacent content;
- C.9.2.4.7 - On some interactive elements the focus indicator is not visible;
- C.9.4.1.2 - In some cases, user interface components (including: module elements, script-generated links and components), name, role, state, property and values are incorrect or set, or the user a.t are not warned when these

attributes change;

You can configure the accessibility widget (overlay) to obtain a partially or fully accessible version with respect to these nonconformities.

For everything to work, the widget must be fully loaded and the adaptations activated. Incorrect configuration of the widget could reduce accessibility.
